## SPONSORSHIP SIGN-UP PROCESS

### Information Required:

Name (account holder must be 18 or older)  
Mailing Address (Billing Address if different)  
Phone Number  
Email Address  
Financial Information  
Church (if applicable)

**Donations:** We prefer that sponsors set up automatic donations using a checking account (EFT/ACH). However, we accept donations by credit/debit card or check on a monthly, quarterly or annual basis. Giving reminders will be sent to those donating by check.

\*PLEASE READ: We *strongly* encourage donations via automatic EFT (Electronic Funds Transfer). If a potential sponsor asks about the financial advantages of EFT, you can share the following details with them:

- A donation via EFT costs Africa New Life an average of 0.4% of the total transaction. This amounts to \$0.16/monthly for \$39.
- To process a credit/debit card donation, it costs Africa New Life an average of 2.5% of the total transaction. This amounts to \$0.98/monthly for \$39.
- Donations by check cost Africa New Life the most.

### Sponsorship Forms:

- Please ensure that new sponsors have filled out ALL contact information, including best email and phone number.
- Also ensure that financial information is provided on the back of the sponsorship form and that new sponsors have signed this page.
- After tearing off the sponsorship form, please return the student's profile to the new sponsor.
- Keep all completed sponsorship forms in a secure location.

\*NOTE: While we certainly prefer to receive financial information, sometimes people do not carry this with them or do not feel comfortable sharing it in writing. In this case, please make sure you get their contact information and write "Please call for financial information" on the

sponsorship form. While not ideal, this method ensures that a student gets sponsored. Potential sponsors are far less likely to go home and sponsor a student online, so having us follow up with them for financial information is our best shot.

### Basic Sponsorship Information

- Africa New Life Ministries is committed to seeing each sponsored student complete high school or a vocational equivalent.
- Sponsorship covers school fees, an annual school uniform, scholastic materials, and medical assistance. Students are encouraged to attend monthly Center Days in their community, where they enjoy a meal, play games, and are disciplined. They also have the opportunity to attend an annual Christian camp.
- Our core sponsorship model is one sponsor per child for students in pre-school through Senior 3 (9th grade). We have a co-sponsorship model for students in Senior 4 through our Dream Leadership Academy due to higher secondary education costs. This additional support enables students to finish their education well. We communicate with sponsors as their students approach Senior 4 and share various support options with them.
- Giving reminders are emailed to sponsors who give manually (i.e., via a check).
